This was another good State Fair for the club and as always, we would like to thank all the members who put in long hours manning the shop, welcoming visitors and sharing with them our interest in antique engines and equipment.

We would also like to thank Blace for donating the quilt and Karen Escholme who, as always did a great job selling quilt tickets, aided of course by Anne Marie Adams and Mary Boutillette. Tom Tunstead "again" donated the tractor/loader model...see inset and picture to the right. And, best of all, we sold 1500 lbs. of peanuts!

We hope everyone had a good time this year. We look forward to seeing our families and friends at next year's fair....Thank you to all!

Matthew Staub of Andover NJ won the toy tractor/loader...we would like to thank his parents, Rebecca and Tom for donating \$50.00 to the club!

Our next meeting will be at 6PM on September 11th at the shed and will be a pot-luck picnic...hotdogs and hamburgers will be provided by the club, please bring side dishes, deserts and beverages!

NEW FOR 2014

Lionel 027 Train display!

A big hit with the "young" fair goers..

Thank you to the members who installed it:

Blace Flatt

Chuck Klim

Bill Castimore

Dave Betts

More to follow...if anyone has "train display" contributions let the club know!

We would like to thank the Mackey clan for their engine displays. Their engines ran on both fuel and compressed air. Both Andy Sr. & Jr. did a great job answering questions about the engines that were on display.
