President Chuck Klim brought the July 11th meeting to order and all members stood to say the *Pledge of Allegiance*.

Secretary Mary Muys read off last months minutes. Treasurer Dave Betts then read off the bills and bank statements. Brian Hendershot made a motion to pay the bills and Andy Mackey 2nd the motion. Milt Jager has purchased a new larger plaque for the members that have passed-on and additional members were added. Chuck mentioned that we now have a EIN number (Employer Identification Number) that allowed us to register the clubs trailer.

Dave proceed to say that we made the deadline for listing our "presentations" at the Fair (see page 5)...so we will be on their website, in daily flyers/announcements and in the NJ Herald.

Vice President Paul Havens mentioned he spoke with personnel at *Lusscroft Farms* and will be bringing his plow and tractor to their event on July 13th.

The **revised By-Laws** were read again and Dick Haskins made the motion to approve as read, Andy Mackey 2nd the motion and it was accepted by all.

Chuck spoke about our meeting dates during the winter months, which are held at the Administration Building and the rooms are shared with other clubs. We will have to stagger the meetings and the rooms are available on December 26th (we will probably pass on this one), January 23rd and February 27th.

Chuck mentioned he spoke with Betty from the IRS and she said we won't have our Tax ID# for the 503c by the time the Fair starts, but for us to proceed with business as usual. Chuck then mentioned that we will be having a work meeting every Thursday, from now until the Fair starts, to get the shed ready!

Brian Hendershot asked about the Facebook status and Paul Haven said he was going to discuss it with Kevin Adams and Steve Boutilette.

Events coming up: Jacktown Antique Engine Tractor Pulls and Flea Market...July 19th, 20th and 21st.

Committees:

Raffle Tickets: Two of the three are done. The last set will be done on Monday and will be picked up before the Fair.

Tee Shirts: Kim has the number of hats and shirts needed and she has been paid and they will be ready before the Fair.

Anniversary Banner: Paulette Hendershot went to the *Frankford Library* and got our 40th Anniversary banners all done and they came out great. They will be hung the day before the Fair starts.
