December Meeting

Blace kicked off the December 8th meeting, as always, by thanking those member who attended and turned the meeting over to Mary, who reviewed the minutes of the November meeting.

Anne Marie took over from here and gave the treasurers report, which led into a discussion by Bob Triebel and Dave Betts on the upcoming election of a new Treasurer and a NEW "two signature" check writing procedure. Toward that end, most payment and reimbursement checks will be written at the monthly meeting, requiring the treasurer to attend "all" meetings and...for those needing club reimbursement for personal \$ spent, to provide a receipt. Dave discussed the possibility of us obtaining and "accepting" credit cards. The credit card could be used for club purchasing and the acceptance/payment process would be used for collecting membership dues and most importantly, as a "sales tool" at events like the STATE FAIR. This will require some additional study and future discussions.

As we mentioned in November's newsletter, we have a club FIRST...(2) nominees for the Treasurer position: Mary Boutillette and Paul Bouscaren. Election will be at our February meeting and will be by secret ballot...as will all future elections, where we have more than (1) candidate. We are looking for "more" members to attend both the January and February meetings and to give some prior thought as to who to vote for. We will have both candidates "introduce" themselves to the membership at the January meeting.

We will be having a meeting prior to the party!
