The June 8th meeting was held at the shed with 19 members attending.

Blace welcomed everyone and turned the meeting over to Paul Bouscaren, who proceeded with the Treasurer's Report. Paul also reviewed our bills for the month and reimbursed several members for hay wagon lumber, stationary, printing and the newsletter expenses.

Paul then shifted to his research and findings in regards to the use of a **MERCHANT CREDIT CARD** and its benefits for the club, particularly as it relates to the State Fair. It would undoubtedly increase our income from the sales of hats, shirts etc. and certainly make it "easier" for people to buy from us. He also covered the usage and annual compliance fees involved. It was tabled for the time being and will be a discussion topic at the next meeting....hopefully attendance will be larger and we will get a better idea of everyone's opinion.

There was a discussion of the Lafayette Car, Truck & Equipment Show on Lafayette Day (see pages 2 and 3), Sparta Day Parade on July 2nd (Chuck Klim is the coordinator) and the New Jersey State Fair.

Blace will be the event coordinator for the **State Fair** and asked for members to step up and help him with the management and organization of the event. If you can help out, call Blace at 973/229-8607. Sign-up sheets were available at the meeting for entry passes and we began building a daily roster for each and every day of the fair...as always, we need volunteers for all shifts, but primarily the night shift. The **shed needs work prior** to the Fair and we will have **the shed open every Thursday in July** (starting July 6th) to accommodate this work...**please come out!**

Blace brought up the passing of our friend and long-time member Nick Feenstra. Blace made a request for a donation of \$100.00 to the Colesville Fire Department in Nick's memory...it was accepted and seconded.
