The June 14th meeting was held at the shed with 24 members attending.

The meeting came to order and Blace greeted everyone. We had a special guest, Lori Space, stop by and ask us if we could bring some tractors over to the farmers market at the Fairgrounds on the weekend of the 16th/17th. Kevin Adams, Blace Flatt and Winny and Milt Jager attended with tractors.

Mary Muys read the minutes of last months meeting.

Paul Bouscaren reported on the monthly expenses and the balances in our accounts to date. Paul also spoke about the 501c3 Nonprofit with the CPA and we can do a "post mark renewal" which would be relatively inexpensive or go back and get all the bank statements from 2013-2018, which would cost considerably more. Paul will continue to look into this to quickly figure out our best approach. Blace said he would get someone to help as well.

There was a discussion of the July 4th Sparta Parade, always one of our larger events of the year. A show of hands indicated (8) participants and we usually pick up a few members who have not attended the meeting. Chuck Klim will be the coordinator and can be reached at 973/903-3583.

Kevin Adams brought up the clubs involvement in the July 7th Lusscroft Farms Field Day, but it was canceled due to a lack of member participants.

On a final note...in October 2018 the Fairgrounds plans to recognize volunteers and thank them for contributing to the State Fair. Our club has been nominated for this year's celebration. More info will follow in the upcoming months.

The next meeting will be at the shed on July 12th 2018...
