The May 8th meeting was held at the shed and there were 20 members in attendance. Jeff Brooks read the financial report and it was accepted and approved. Blace brought up the subject of the State Fair. A list was generated of volunteers for the Fair...if you are planning on helping out at the shed, please get your name on the list. Any member who worked last year's Fair "should" have their picture on file and does not require a new picture to be taken. Those of you who did not work last years fair will need to get your picture taken at the Administration building on June 19th, from 6:00 to 7:30 PM; July 8th from 4:00 to 6:00 PM; or July 19th, from 9:00 AM to 3:00 PM. We discussed the Sparta parade and Branchville parade, both on Memorial Day weekend. The club broke into two groups to assure coverage of each parade.

SPRING PLOW DAY & TRACTOR SHOW

May 3rd 2014

Green Valley Farms

997 Route 23, Wantage NJ

This years Plow Day Event was again held at the **Green Valley Farm** in Sussex, New Jersey. Owners of the farm, Duce and Joy Tallamy, were very kind to open up their farm and fields to the Engine Club for a day of plowing. Duce and Joy were also gracious enough to provide the attendees with hamburgers for lunch and ice cream for desert.

The weather was great and *The Engine Club* would like to thank everyone who participated in Spring Plow Days this year.

Due to weather, the Vernon Plow days event at the Sammis Farms in McAfee was rescheduled for May 24th. We will cover that event in next months newsletter.

Our next meeting will be at 7PM on June 12th 2014 at the shed!
