The May 10th meeting was held at the shed with 22 members attending.

Blace called the meeting to order. Paul Bouscaren read off the bills & expenses for the month, which were discussed and approved for payment. Paul then read off the account balances in our various accounts. Paul also mentioned that there is a problem with our 501c3 Non-Profit status. Paul and Blace are going to see about getting this taken care of as soon as possible.

Mary Muys gave an overview on the cost of new tee shirts to be ordered this year and is going to add a new color...blue...to the mix to have a better variety. We will also be ordering some youth sizes to sell as well, and will have a final quote before the next meeting...so an order can be placed.

Chuck Klim has located an Oliver Pedal Tractor, all metal, limited edition to be raffled off this year at the fair and the cost is \$295 plus \$50 for shipping. All members were in favor.

The group discussed the two April plow day events at Sam Castimore's farm and at Bill Systema's farm...both of which, were big successes...see pages 2 and 3 of the newsletter.

Also...we have been invited to the Branchville Firehouse after the *Memorial Day Parade* (see page 4), with our tractors, for hot dogs and burgers. And: Skylands Stadium and Lusscroft Farm have been added to our events...also see page 4.

Note: any new members needing a badge for this year's State Fair are to sign up and will be required to work roughly 5 days at the fair...see below.

Next meeting: June 14th at the shed!

The New Jersey State Fair

August 3rd-11th

We need volunteers to "prep and work the shed"!

Members "must" attend the June 14th meeting and sign up to work the State Fair and to insure they receive your "FREE" entry badge. As in the past, we will be creating a daily roster covering each and every day of the fair...and as always, we need volunteers for all shifts, particularly the night shift.
