We started off the February meeting with 22 members on hand. Ann Marie went over the financial report and our money situation is improving. Ann Marie was talking about possibly changing our insurance company. We will be trying to put together a committee to go over the matter. Blasé also brought up the Venison Dinner at the Legion Hall in Jefferson. There was a good show of hands from the members who were present, so Blasé said he would get the ball rolling.

Saint Patrick's Day Parade

The engine club will again be participating in the St Patrick's Day Parade on the 16th of March. This is the parade that starts at the Newton Moose Lodge and then goes through down town Newton and ends at Memory Park. We will be meeting at G&H Service at 9:00 AM to get organized and to enjoy some coffee and donuts. We will be heading up to the start of the parade at 11:00 AM and the starting time for the parade is 11:30 AM.

Military Transport Association Show

The MTA will again have their Spring Show at the Fair Grounds. I received a call from their Fair contact and was asked if we could be open. The show will be held on April 27th and 28th, which is a Saturday and a Sunday. They would also like us to have some Tractors and Engines on display.

OUR NEXT MEETING WILL BE

March 14th at 7:00 PM at the Fair Grounds

The February 50/50 was won by Josh Lewandowski. He donated the \$39.00 winnings back to the club.

Thank you Josh!
