## **The April 12th meeting was held at the shed with 31 members attending.**

Blace called the meeting to order and mentioned the passing of Albert Muys III who is the father of Mary Muys and Paulette Hendershot, brother of Richard Muys and uncle to Rich Muys Jr. There was no meeting in March, so there were no meeting minutes.

Paul Bouscaren proceeded with the Treasury Report for the past two months, account balances and the clubs bills: which included the materials to build an 8th parade cart, as we recently picked up an 8th sponsor. There was also a discussion on parts and \$ for an enclosed club owned trailer & on our insurance policy & the possibility of having it paid electronically. Also, Tax Form 99 is due this year.

Andy Mackey mentioned that there was a donation from the *Sussex County Planning and Economics Division* for which Blace has provided tractor/hay wagon rides and received \$80 for the club.

Upcoming Events are: the **Military Show on April 21 and 22<sup>nd</sup>** at the fairgrounds, Kevin Adams and Chuck Klim discussed **Lusscroft Farms on July 7<sup>th</sup>** and **Plow Day on April 28<sup>th</sup>** respectively. Also, Sue from *Lafayette Auto Parts* stopped in and gave us a flyer for **Lafayette Day on June 9<sup>th</sup>**...we need to be there by 10 a.m. and can park vehicles and trailers in the *Auto Parts* parking lot.

Dave Betts brought the new cash register and did a quick demo of it. He will start training on it next month. Dave also mentioned he has a list of repairs required on the recently donated open trailer and has the registration paperwork. The list will have to be reviewed before we proceed. Dave also called for a show-of-hands for members using FACEBOOK to check events...not many hands went up!

## **Memorial Day, May 28th 2018**

**A day to remember those who gave their lives for our country!**

***See you at the Branchville Parade***

## ***Our next meeting will be at 7 PM on May 10th at the SHED!***

We need members to attend this meeting and sign up to work the State Fair and to insure they receive their entry pass. As in the past, we will be creating a daily roster covering each & every day of the fair...and as always, we need volunteers for all shifts, but particularly the night shift.
