Our October 10th meeting was held at the shed and had 27 members in attendance. Anne Marie read the financial report and it was approved.

The membership spent most of the evening winterizing the shed, moving tractors and servicing the display items.

There was a discussion on the **MARKETPLACE** on page 4 of the newsletter. All the old classified adds have been removed and Jeff asked for new and current ads.

Howard Squires discussed the *Morris County Tours*...Saturday October 12th - Sunday 13th.

Fall Vintage Tractor Plow Day

Ideal Farm & Garden Center

222 Route 15, Augusta, NJ

October 19th, 2013

**An NJAE&MC Thank You
to Benny Jorritsima for al-
lowing us to use his farm
and facilities!**

**It was a nice sunny and crisp autumn day, which was
perfect for our event. Anne Marie brought coffee and
bagels to start off the day and warm everyone up.**

**The event was somewhat smaller than previous years,
but all attendees had a great time.**

Hap Degrote won the award for driving the longest distance, Unionville NY to Augusta NJ...that's over the road and on his tractor. The weather wasn't "that" nice and he was a mighty frosty boy when he arrived.
