*Founded on October 15th, 1979 by: Arthur Goble, Fred W. Westbrook, John Snook, Roy Bischoff & Lewis Quince*

The October 9th meeting was held at the shed and there were 25 members attending. Blace again discussed the 75th Anniversary of the *Sussex County Fairgrounds* and the possibility of the club generating income for the Fairgrounds during the next *New Jersey State Fair* in August 2015. This will continue to be a discussion topic at future meetings and we need some ideas and participation from the membership.

Blace also brought up the subject of the location for the Christmas Party...options being the Fairground's Conservatory or The Jefferson Legion Hall. There will be further discussion and it will be finalized at the November meeting.

Kudos to Blace, Jeff, Dave and Chuck for coming in on Saturday for tarping and winterizing all the outside engines.

Our *Fall Vintage Tractor Plow Day* was held at *Havendale Farms* in Wantage. We would like to thank Jeff and Tracey VanderGroef for allowing us to use the fields. See pictures on page 1,3 and 4.

# **Become an Officer in the Club.**

**Why not be the next President, Vice President, Secretary or Treasurer? It's time members, 81 at last count, step "up to the plate".**

At the last meeting, a committee was formed per the request of President Blace Flatt. We were tasked to enlist candidates for our 2015 club's officers. The committee members are; Dave Betts, John Regan and Chuck Klim. Blace asked us to find new leadership. The present officers have been faithfully serving for many years.

A successful club depends on solid qualities to be a good officer.

Let's start by defining the duties.

- Serve their club well and plan to make the club a success.

- Work with all members and give each an opportunity to participate.

- Share leadership with many and give others an opportunity to develop their abilities.

- Represent the club in community.

- Be dependable and positive.

- Work cooperatively with the other officers, committees, leaders and membership.

- Conduct well-planned meetings.

**This request for new officers has been broached before. Most like the job the present officers are performing right now. But consider this; they've been working diligently for a long time. I know it's scary to think anyone could do the work the present leaders are doing now. But should you "step up" now, they will be right here in the membership to help you get started and on track. Perhaps you will bring your style of leadership and surprise the members and yourself. This is all about personal and club growth.**

Please take a few moments and think about the club, what it's given to you, and perhaps it's time to give back. Any questions or concerns, please call myself, Dave Betts (908) 303-1994, John Regan (973) 383-3813, or Chuck Klim (973) 948-7458. You could even contact any of the currently serving officers, phone numbers are on the masthead of this newsletter.

**The Club's success and future depends on Good Leadership. It's a hard fact.**
