Chuck Klim brought the October 10th meeting to order and led the attending members in the flag salute. There were 16 members present.

Dave Betts read off the treasurer's report for both the Raffle account and General Funds account. A few bills were read off, discussed and payment confirmed by the attending members. A list of the bills and bank statements are with the treasurer for anyone to see. Dave mentioned that we now have 71 members on our roster...which is great news.

Mary Muys read off the minutes from last months meeting.

Paul Havens mentioned that the clubs *THANK YOU Letter to the Editor* was finally in the New Jersey Herald this past Tuesday. Paul also discussed upcoming events including the Harvest, Honey & Garlic Festival at the Fair Grounds, and we should have one or possibly two hay wagons going around as the weather is supposed to be perfect and they are expecting a good crowd. We will get the Sponsor Carts out and advertise them as well. Blace and Paul said they will be there to pull the wagons and carts and requested several other members to come out and help with the event.

Chuck said that plow day is cancelled at Ideal Farms...however, on October 26th they would like us to bring some tractors and a hit and miss engine or two for their Fall Festival.

On a more somber note: Andy Mackey had spoken with Dave Betts and relayed to him the information on the services for his late son Andy, on October 18th at the Kanapaux-Whitman funeral home in Rockaway. Mary will (and did) send out an email to all members for those who would like to attend. We will get his son's name added to our member plaque for those that have passed.

Blace announced & congratulated Joan Snook Smith (former Ag-Society President)...who, on October 9th, was voted in as the new President of the *Sussex County Farm & Horse Show Association*.

The final preparation of the shed "for winter" was accomplished after the formal meeting!

Our next meeting will be at 7PM on November 14th at the Administration Building!
