Minutes of NJAEMC Meeting: 07/07/2026

Meeting called to order by President Chuck Klim at 19:07

Secretary's Report:

- No updates

Treasurer's Report:

- Review of account balances
- All permits are in
- Passes will be distributed at the July 25th work meeting
- The remaining shirts will be ready by July 31st
- Linda spoke of as a non-profit organization in order to maintain that we are supposed to be active in supporting others with donations, which coupled with the overhead such as insurance, and other costs requires active fundraising. Currently the money coming in is not keeping up with the increasing costs and that trend will leave the club financially broke soon. Something to consider.

President's Report:

- July 25th at 9 AM will be the cleaning day for the club building in preparation for the fair
 - Need to lubricate, clean, and fire up the equipment
 - Overall cleaning and final set up work

Fair Week: July 31, 2026 to August 8, 2026

President's Report, cont'd.:

- Chuck, Blace, and Rich Muys will pick up the peanuts. Date will be closer to the fair
- We will see if we can get Fairclough to top off our propane tanks
- Club will have a designated golf cart for shuttling around the grounds
- We will keep Peanut price at \$2 rather increase it. This is due to our vendor keeping our prices for the raw peanuts the same. No 3 for \$5 pricing except if at the end of the night we have too much roasted to carry over. Only Veterans receive free peanuts
- Discussion of selling the club's donated International A tractor
 - A hand vote was in favor
 - Price was discussed between \$1500 and \$800, with initial listing to be at \$1000
